Clay - I forwarded your call to Dave Bartus who is serving as our contact for this. He'll let you know whether to send the hardcopy or the CD. With Dave on the distribution list, I don't need to be. Thanks for checking, Scott

Hi Scott,  
This is an email to follow up on the voicemail I left you.  
Jacobs is submitting a Draft Engineering Evaluation Cost Analysis on behalf of the 611th CES. Your name is on our distribution list. Would you like a bound copy or would an electronic copy on a DVD be sufficient.  
Your reply is greatly appreciated.  
Regards
